

Transfer of records to school

Policy statement

We recognise that children sometimes move to another early years setting before they go on to school although many will leave our setting to enter a nursery or reception class.

We prepare children for these transitions and involve parents and the receiving setting in this process. We prepare records about a child's development and learning in the EYFS in our setting; in order to enable smooth transitions we share appropriate information with the receiving setting or school at transfer.

Confidential records are shared where there have been child protection concerns according to the process required by our Local Safeguarding Children Board.

The procedure guides this process and determines what information we can and cannot share with a receiving school or setting.

Procedures

Transfer of development records for a child moving to another early years setting or school

- Using the EYFS assessment of development and learning ensure the key person prepares a summary of achievements in the 7 areas of learning and development.
- This record refers
 - any additional language spoken by the child and his or her progress in both languages;
 - any additional needs that have been identified or addressed by [our/my] setting;
 - any special needs or disability, whether a CAF was raised in respect of special needs or disability, whether there is a Statement of Special Educational Needs, and the name of the lead professional.
- The record contains a summary by the key person and a summary of the parent's view of the child.
- The document may be accompanied by other evidence, such as photos or drawings that the child has made.
- When a child transfers to a school, most local authorities provide an assessment summary format or a transition record, which we will follow as applicable.
- If there have been any welfare or protection concerns, we place a star on the front of the assessment record.
- For transfer to school, most local authorities provide an assessment summary format or a transition record for the setting to follow.

Safeguarding and Welfare Requirement: Information & Records

- If there have been any welfare or protection concerns a star is placed on the front of the assessment record.

Transfer of confidential information

- The receiving school or setting will need to have a record of any safeguarding or child protection concerns that were raised in [our/my] setting and what was done about them.
- We will make a summary of the concerns to send to the receiving setting or school, along with the date of the last professional meeting or case conference. Some Local Safeguarding Children Boards will stipulate the forms to be used and provide these for us to use.
- Where a CAF has been raised in respect of any welfare concerns, we will pass the name and contact details of the lead professional on to the receiving setting or school.
- Where there has been a Section 47 investigation regarding a child protection concern, we will pass the name and contact details of the child's social worker on to the receiving setting or school – regardless of the outcome of the investigation.
- We post or take the information to the school or setting, ensuring it is addressed to the setting or school's designated person for child protection and marked as 'confidential'.
- We do not pass any other documentation from the child's personal file to the receiving setting or school.
