

Staffing

Policy statement

We provide a staffing ratio in line with the Safeguarding and Welfare Requirements of the Early Years Foundation Stage to ensure that children have sufficient individual attention and to guarantee care and education of a high quality.

Our staff are appropriately qualified and we carry out checks for criminal and other records through the Disclosure and Barring Service in accordance with statutory requirements.

Procedures

To meet this aim we use the following ratios of adult to children:

- Children aged two years: 1 adult : 4 children:
 1. at least one member of staff holds a full and relevant level 3 qualification; and
 2. at least half of all other staff hold a full and relevant level 2 qualification.
- Children aged three years and over: 1 adult : 8 children:
 1. at least one member of staff holds a full and relevant level 3 qualification; and
 2. at least half of all other staff hold a full and relevant level 2 qualification.
- A minimum of two staff/adults are on duty at any one time.
- We only include those aged 17 years or older within our ratios. Where they are competent and responsible, we may include students on long-term placements and regular volunteers.
- Each child is assigned a key person to help the child become familiar with the setting from the outset and to ensure that each child has a named member of staff with whom to form a relationship. The key person plans with parents for the child's well-being and development in the setting. The key person meets regularly with the family for discussion and consultation on their child's progress and offers support in guiding their development at home.
- Our manager deploys our staff and volunteers to give adequate supervision of indoor and outdoor areas, ensuring that children are usually within sight and hearing of staff, and always within sight *or* hearing of staff at all times.
- Our staff, students and volunteers inform their colleagues if they have to leave their area and tell colleagues where they are going.
- Our staff, students and volunteers focus their attention on children at all times and do not spend time in social conversation with colleagues while they are working with children.

Safeguarding and Welfare Requirement: Staff: Child Ratios

- We hold regular staff meetings to undertake curriculum planning and to discuss children's progress, their achievements and any difficulties that may arise from time to time
- The nursery manager holds regular team meetings with room supervisors to support, undertake curriculum planning, accessing any children's needs or safeguarding/ welfare requirements.
- Owner/representatives regularly meet with the nursery manager, offering support and auditing all aspects of the nursery.
